Competition rules

The judges decision will be final, no correspondence will be entered into (although bribes may help!). The fishing competition is designed to maximise every competitor's chance of winning a prize. All prizes will be announced at the registration night, and winners will be awarded prizes in **boats over 6.0 metre and boats under 6.0 metres:**

Champion Team (who will also win the trophy) is open for all boats but there will be one winner only

Biggest Snapper, Whiting and Crab

Best children's catch

Mystery prize for best catch or best fishing story

Wooden spoon award

The Northbank Family Fishing competition also supports catch and release. A picture of the fish on scales and against a ruler is required before release is acceptable. If competitors choose to 'weigh-in' their fish, then the fish must not be gilled or gutted. Judging criteria will be based on weight and length, and if any 'inconsistencies' are observed by the judges, they have the right to reject the entry. **Any skipper or crew involved with professional fishing or charter operations are not permitted to participate in this competition.**

Fishing will start on Sunday morning 7am sharp, and weigh in will commence at 3pm at the Wallaroo Marina. Any competitors not back by 3pm, will not be considered for prizes.
