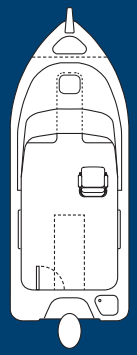
650WA

NORTHBANK
FIBREGLASS BOATS

650WA Specifications

Length:	6.5m
Beam:	2.44m
Height on trailer:	2.60m
Length on trailer:	8.45m
Max persons:	8
Max HP:	250hp
Deadrise:	21°
Hull weight:	1300kg*
Fuel capacity:	300ltrs



** Hull weight is measured from a standard boat. The addition of factory options will increase the hull weight from the above measurement.*

Distinctive styling that is undoubtedly Northbank with the freedom of a walkaround, the 650WA is a sports fisherman's dream.

The Northbank 650WA covers all angles. It offers everything you need for a day offshore and, with 6ft long bunks, overnighting is not a problem.

A roomy cockpit with large walkaround decks, the sports fisherman will be able to fight that fish of a lifetime from anywhere on the boat.

Bow access is superb and, combined with the predictable and sure footed 650 hull, the Northbank 650WA covers all sports fishing angles.

Full standand and optional extras, refer to guide at back of catalogue.
